

# How we Advertise Your Property...

1. We advertise your property on our website at [www.gatekeeperproperties.com](http://www.gatekeeperproperties.com), as well as GAMLS.
2. We put up signs and directionals. As well as place a contractor's lockbox on vacant properties in order to show the property.
3. We advertise your property on [rentshout.com](http://rentshout.com)

4. Our in-office software, AppFolio automatically submits the listing to several classifieds search engines including:

OOdle.com, Craigslist.org, Rentbits.com, Apartments.com, Rentals.com, RentalHomesPlus.com, FreeRentalSite.com, Rentlinx.com, Rentmyhome.org, Condo.com, Cazoodle.com, RentLizard.com, RentalAds.com, OLX.com, HomeTownRent.com, Vast.com, Googlebase.com, Tenant.com, Hotpads.com, MyNewPlace.com, & RentJungle.com.

4. We advertise all properties on [Craigslist.com](http://Craigslist.com)
5. Gatekeeper has a Facebook, Twitter, LinkedIn, and Kudzu Account.
6. We advertise using billboards and radio and television commercials.
7. Per owner requests, we can additionally advertise specific properties in our local newspapers.
