

How We Advertise Your Property

1. We advertise your property on our website at www.gatekeeperproperties.com and GAMLIS.

2. We provide a "FOR LEASE" sign to place in the front yard of your property (providing approved by HOA-if applicable).

3. Our office software, Appfolio, automatically submits the listing of your property to several rental search engine classifieds including but not limited to:

Zillow.com

Homesforrent.com

Hotpads.com

Radpads.com

Rent.com

Realtor.com

Trulia.com

4. Gatekeeper has a Facebook account which our available properties are advertised on, along with Twitter, LinkedIn, and Kudzu.

5. Our company is advertised on the radio and television commercials.

6. Per owner request, we can additionally advertise specific properties in our local newspaper.
